1. Rationale

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

2. Purpose

To outline the processes that Williamstown High School will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

3. Implementation

Williamstown High School is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. Williamstown High School recognises the valuable contribution that volunteers provide to our school community and the work that we do.

The procedures set out below are designed to ensure that Williamstown High School's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

Becoming a volunteer

Members of our school community who would like to volunteer are encouraged to contact the Parent and Friends Association.

4. Specific procedures

Suitability checks including Working with Children Check

Working with students

Williamstown High School values the many volunteers that assist with sports events/camps/excursions/school concerts/other events and programs. To ensure that we are meeting our legal obligations under the *Worker Screening Act* and the *Child Safe Standards*, Williamstown High School is required to undertake suitability checks which in most cases will involve asking for evidence of a Working with Children (WWC) Check. Additional suitability checks may also be required depending on the volunteer role, such as reference, proof of identity, qualification and work history involving children checks.

Considering our legal obligations, and our commitment to ensuring that Williamstown High School is a child safe environment, we will require volunteers to obtain a WWC Check and produce their valid card at Reception for verification in the following circumstances:

- **Volunteers who are not parent/family members** of any student at the school if they are engaged in child-related work regardless of whether they are being supervised

- **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is not participating, or does not ordinarily participate in, the activity
- **Parent/family volunteers** who assist with excursions, camps and similar events, regardless of whether their own child is participating or not
- **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not
- **Parent/community School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not
- **Exam Supervisors** who supervise VCAA VCE exams
- **Alumni Tutors** who tutor students in the school library

Non child-related work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example, volunteering on the weekend for gardening, maintenance, working bees, parents and friends club coordination, school council or participating in sub-committees of school council during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have WWC Checks or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, Williamstown High School reserves the right to undertake suitability checks, including requiring proof of identity and WWC Check, at its discretion if considered necessary for any particular activities or circumstances.

School Council members and volunteers on any sub-committee of School Council will be asked to provide evidence of a valid WWC Check. Whilst we acknowledge that these volunteers will not be engaging in child-related work as part of their role, even when there is a student sitting on the School Council, we believe that it is important that our volunteers who are involved in making important decisions about our school which will have an impact on students do have a valid WWC Check.

Training and induction

Under the Child Safe Standards volunteers must have an appropriate induction and training in child safety and wellbeing.

To support us to maintain a child safe environment, before engaging in any work where children are present or reasonable likely to be present, volunteers must familiarise themselves the school's Child Safety Code of Conduct and ensure the

actions and requirements in this document is followed when volunteering for our school.

Depending on the nature and responsibilities of their role, Williamstown High School may also require volunteers to complete additional child safety training.

Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the Principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our Child Safety and Wellbeing Policy, our Child Safety Code of Conduct and our Statement of Values and School Philosophy.

Volunteer workers will also be expected to act consistently with Department of Education policies, to the extent that they apply to volunteer workers, including the Department's policies relating to [Equal Opportunity and Anti-Discrimination](#), [Sexual Harassment](#) and [Workplace Bullying](#).

The Principal (or their nominee) will determine the level of school staff supervision required for volunteers, depending on the type of work being performed, and with a focus on ensuring the safety and wellbeing of students.

The Principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Williamstown High School.

Privacy and information-sharing

Volunteers must ensure that any student information they become aware of because of their volunteer work is managed sensitively and in accordance with the [Schools' Privacy Policy](#) and the Department's policy on [Privacy and Information Sharing](#).

Under these policies, student information can and should be shared with relevant school staff to:

- support the student's education, wellbeing and health;
- reduce the risk of reasonably foreseeable harm to the student, other students, staff or visitors;
- make reasonable adjustments to accommodate the student's disability; or
- provide a safe and secure workplace.

Volunteers must immediately report any child safety concerns that they become aware of to a member of staff to ensure appropriate action. There are some circumstances where volunteers may also be obliged to disclose information to authorities outside of the school such as to Victoria Police. For further information on child safety responding and reporting obligations refer to: *Child Safety Responding and Reporting Obligations Policy and Procedures*.

Records management

While it is unlikely volunteers will be responsible for any school records during their volunteer work, any school records that volunteers are responsible for must be provided to Reception staff to ensure they are managed in accordance with the Department's policy: [Records Management – Schools](#).

Compensation

Personal injury

Volunteer workers are covered by the Department of Education and Training's Workers' Compensation Policy if they suffer personal injury in the course of engaging in school work.

Property damage

If a volunteer worker suffers damage to their property in the course of carrying out school work, the Minister (or delegate) may authorise such compensation as they consider reasonable in the circumstances. Claims of this nature should be directed to the principal who will direct them to the Department's Legal Division.

Public liability insurance

The Department of Education and Training's public liability insurance policy applies when a volunteer worker engaged in school work is legally liable for:

- a claim for bodily injury to a third party
- damage to or the destruction of a third party's property.
